Dear Tommy,
You are my
I like best friends
I have and I
wont me to tell my
feeling secret to you
called as many
pay me for doing
I'll also teach you
Good as me.
best friends my secrets.

and I do just
and tell all your's
but I'm as
but my

Your Pal,
Keith

Ottaway
Your the damnedest
thing I have ever
seen. But I can say

Tommy, I suppose I act like I despise you but I don't really. Sometimes your language and temper and silliness gets the best of you but deep down you are nice and I guess we all have our bad habits (especially me) we haven't actually been close this year but we have had fun and I hope in our senior year will have even more. You have the talent and ability to go places. Stay sweet and God Bless you always (Poppy)

A friend,
Linda Ferguson (miss A Kid)

Remember Always

Dear Tommy, You are
a Real Pal & Buddy
We have had great times
together & I think
you are the greatest
Friend I've ever had.
I'll always remember
you & do you.
Sincerely,
Linda Ferguson

To one of my dearest
friends, Tommy Atkins
I have enjoyed seeing
you. Always.

Violets are real Violets are blue,
I wish I had a Tommy Atkins too.

Tommy, You are
Really Pal & Buddy
time I've had
the world of you.
I'll always remember
you & do you.
Sincerely,
Linda Ferguson

DEDICATION

We are happy to dedicate the 1963 Panther to our secretary, "Miss Mary," who is never too busy to lend a helping hand. We have grown to love her more each year.

Mrs. Sprayberry has been at Fouke since 1955. We appreciate deeply the service she has rendered to our class: her encouragement, her hard work, and unselfish devotion.

FOREWORD

The publication of this yearbook has been a challenge to all of us. It has required the co-operation of our sponsor, students, staff, and those who have contributed their support through advertisements. We wish to thank you who have helped us.

In compiling this annual we have tried to give to you a yearbook which in years to come will be cherished for its memories of dear friends and happy school days.

Now we present to you the 1963 "Panther"; may it always bring you the fondest of memories.

We've had our misunderstanding, haven't we? Tommy, even though you are so mean to me I think alot of you. I really did have a nice time when Elaine & I went home with you & spent the evening. Tommy you don't know how much I appreciate it when you are nice around me. I think I've about convinced you that I don't want you to [redacted] around me, at all, haven't I? I sure hope so. Just remember to "Be Nice" & you'll always be my friend.

Love yaw,

Tommy, it seems we are always getting into squabbles But its best to live and forget. I've never been prepared to in just the way you do in our play. We have had fun. and so a smile is cheap medicine. I shall always remember the good times we've had. And don't forget my light biscuits. Ha. Well Pappy I guess I'll sign off & write this one statement. Be good, be sweet and don't ever change unless it's for the better. Good luck and if you need buttons on your shirts. You know I'll fix them! Ha

Love to a Friend

Tommy,
Why can't we get along? I would love to. Things sure have changed lately between us. I wished I could understand about boys liking to "tease" but no matter how I try I can't. Tommy, when I have "teased" around me, I have the funniest feeling that I'm not worth a grain of salt. Tommy, you think that I think I'm so good. I don't. It just that I have so much respect for you when you try to talk to me and help me in a nice respectful way. I have said many times that I didn't like ~~you~~ and both you, but ~~you~~ I've never known better than that. Tommy I have to be around you and I think a lot of you when you ~~are~~ behave decent like

Dearest Tommy,

Since you have so kindly allotted me this page. I will try to do it justice. I don't know where to begin, you can be so mean to me at times. I would like to slap you good and proper.

I have enjoyed this year more than any other, even if we have gotten into trouble for talking in class (English, History).

Tommy I think the world of your mother she is so sweet, and I enjoyed myself more than anything when Merlon and I spent the evening with you.

I'm sorry that you don't wish to come to the house anymore. I'll never forget it,- the times we've had sitting up till three and four o'clock in the morning talking about things that have happened. I'm also sorry you don't like my stretchy dress!

I had to change pens, so don't be too displeased. Tommy, I'll always love you in a very special way. Maybe I shouldn't write this. But I want you to know. I hope when you do find a girl. It will be someone who will be good to you and not a two timer. As you call me. whoever she may be I wish you the best in happiness.

You know things would have been nice, if Merlon, Joyce and I could have been with you, Bill and James. But things just don't seem to work out like that. y'all were y.o.st. too slow (Ha Ha)

Love ya always

Elaine
